Join Lora at this stunning resort, the only one in the Canaries to have two 18-hole courses. With one third of the island a UNESCO protected biosphere you are guaranteed a golf experience like no other. Your week includes 3 rounds of competitive golf on the Salobre Old Course. Opened in 1999, designed by Roland Favre you'll love the palm-fringed fairway and approach tiered greens with magnificent views of the mountains and sea. Watch out for the signature tee shot on the 14th over a ravine. You'll also have 2 rounds of competitive golf on the par 70, Ron Kirby designed New Course incredibly positioned amongst the volcanic rock surroundings. Reminiscent of a links course, the dog legs, hanging fairways and changes in level make this a fun challenge.
