The Barcelo Palmeraie 5 star hotel is situated just 30 mins away from Marrakech with a free shuttle bus available into the city.

With 5 rounds of golf planned this timely week in the North African sunshine will help to get those golfing muscles back into action.

One day off allowing you to either relax by one of the two fabulous pools or treat yourself to a Spa experience. Visually all five courses have spectacular views of the dramatic snow capped Atlas Mountains.

From the moment we arrive each and everyone of us is part of a unique team, an experience like no other. Lora is proud that her coaching/playing holidays aren't a platform for cliques, what is guaranteed, are new friends and some fun along the way, oh and improved golf!
