

# Salobre Resort & Serenity, Gran Canaria

7 - 14 February 2027

Join Lora for the 6th time at this 5\*  
stunning mountain top resort.  
Guaranteed sunshine and quality that  
will not disappoint.

It's better to see  
something once, rather  
than hear about it a  
thousand times.....

LORA - 07711 258352

Join Lora at this stunning resort, the only one in the Canaries to have three x 9 holes. With one third of the island a UNESCO protected biosphere you are guaranteed a golf experience like no other. Your week includes 5 rounds of competitive golf, 4 at Salobre and 1 round on the stunning Anfi Tauro course.

Salobre opened in 1999, designed by Roland Favre you'll love the palm-fringed fairway and approach tiered greens with magnificent views of the mountains and sea. Watch out for the signature tee shot on the 14th over a ravine.

Ron Kirby designed the New Course which is dramatically positioned amongst the volcanic rock surroundings, dog legs, hanging fairways and changes in level make this a fun challenge.

The Canaries prove a popular February warm weather option, throw in some quality coaching and bring 2026 on!!
